GAIN ANNUAL EVENT OVERVIEW

For many years, leaders in Atlanta's legal and corporate communities have gathered at GAIN's annual fundraising event to raise funds that are critical to serving hundreds of people each year with free immigration legal services. These funds power GAIN's services throughout the year, representing our largest source of corporate giving income and supporting GAIN's mission to protect and empower immigrant survivors of crime and persecution.

As always, Taste of the World will feature an exclusive silent auction and food, cocktails, and stories from our community and around the world, reflecting the rich cultural backgrounds of the clients GAIN serves. This year, the event will be held at Guardian Works at Echo Street West, a beautiful brick and beam event space that spills out onto a patio and courtyard for an indoor/outdoor experience. With a revamped menu that features new tasting stations and authentic food experiences, plus live music, drinks, and some of the city's best networking—you won't want to miss it.

In spring 2024, this annual fundraising event is expected to bring together hundreds of supporters to help advance GAIN's mission to protect and empower immigrant survivors of crime and persecution. Every sponsorship GAIN receives for our annual event will help power our mission. **Read on to learn about the benefits and impact of sponsorship, and as always, thank you for your support of GAIN's work in our communities.**
